Mrs. Sutherland's school will open September 3. Number of pupils limited. Your patronage solicited. (14-1f)

THINGS TO WORRY ABOUT.

Those Bourbon county men who are seeking to escape military service by various specious pleas of exemption would do well to emulate the example of a Maysville man. This applicant, when asked if he had any dependants, answered that he had no one depending upon him but his "Uncle Sam."

STRAW HATS.

Half-price. All kinds and sizes. J. W. DAVIS & CO.

WORTHLESS DOGS

There are too many worthless dogs prowling around Paris. They make regular visits to homes in all parts of the city, often ruining gardens and doing other mischief. They howl and bark most of the night and frequently a big fight occurs, waking everybody in the vicinity.

VEGETABLES PLENTIFUL.

Vegetables from the huckster and home gardens in and around Paris are plentiful on the local market and there is very little trouble in securing quantities for use now and in canning. The government campaign to make housewives realize the importance of canning and drying food-stuffs seems to be meeting with hearty co-operation of the Paris and Bourbon county housekeepers.

SOAP AND CLEANSER BARGAINS.

We have a quantity of good soaps and cleansers at bargain prices—5 cents each. C. P. COOK & CO.

OFF FOR GEORGIAN BAY!

Leaving business cares and worries behind them to either take wings or take care of themselves, the following party left Paris, Sunday morning for Georgian Bay, where they will spend ten days in camp, fishing and hunting:

Harry B. Clay, J. Frank Clay, Wm. R. Blakemore, William Shire and Dan W. Peed, of Paris, and Wm. H. Harris, of Lexington. The party will be fully equipped and prepared for having an enjoyable stay at this noted fishing place, one of the best in the Great Lakes region.

TO INVESTIGATE OIL LEASES.

Mr. Norman Moss, of Calgary, Alberta Province, Canada, who has been a guest of Mr. and Mrs. James Caldwell, of near Paris, left yesterday for Warren county, accompanied by Attorney Oscar T. Hinton, of Paris.

Mr. Moss has extensive holdings of oil lands in Warren county, and the visit to the fields is for the purpose of having Mr. Hinton look up the titles to some valuable leases. They will be gone several days, during which they will visit all sections of the oil fields in Warren county.

FATHER WITH BROKEN LEG; SON NURSES BROKEN ARM.

While at work on a truck at the shops of Martin & O'Neill, on Pleasant street, Friday afternoon, Mr. Robert Sadler, woodworker, made a misstep, and fell to the floor. His right leg was broken just above the knee.

Mr. Sadler was removed to his home on Vine street, where the broken bone was set. He is getting along as well as the nature of the injury will permit. Some time ago Mr. Sadler's young son broke the large bone in one arm, and is carrying the injured member in a sling.

MANY PATTERNS.

Bathing suits of many patterns. Sizes from 30 to 48.

CALLED TO THE COLORS.

Cards of notification instructing them to report at once at the Officers' Reserve Corps training camp at Ft. Benjamin Harrison, near Indianapolis, were received in Paris, Saturday, by P. A. Thompson, Fennell Galloway and M. O. Upton.

These men had their applications in some time ago, but were not called until now, owing to the fact that the quota had filled for the first call. They will go into intensive training for army commissions upon arrival at camp.

Mr. M. J. Lavin, of Paris, received a message Friday from his son, Mr. Lawrence Lavin, who enlisted in the Ohio National Guard at Dayton, O., that he had received a commission as Second Lieutenant in the service.

BOY SCOUTS' SWIMMING CONTEST

Last Friday night the Boy Scouts enjoyed a much-looked forward to social gathering at the Y. M. C. A., the main attraction being an aquatic meet, with due reference to return date and refreshments.

There were eight events in the swimming contests, the first containing five points; the second, three and the third, one. In the best fancy dive, Kirkpatrick won first place, Roberts second and Lair third. In the long distance swim under water, Hendricks was first, Roberts second and Lair third. In the backward header off board, Roberts was placed as the winner, with Kirkpatrick second and Lair third. The succeeding events were as follows: Best footer off board, Minakuchi, first, Paton, second, Meglone, third; best overhand stroke, O'Neill, first, Minakuchi, second, Kirkpatrick, third; longest time under water, Hendricks, first, Paton, second, Roberts, third; best flip off board, O'Neill, first, Hendricks, second, Kirkpatrick, third; floating race, Meglone, first, O'Neill, second, Roberts, third.

On the basis of five, three and one for first, second and third places, the final count showed Roberts, Hendricks and O'Neill tied for first place, with thirteen points each. In order to decide to whom the prize should be awarded numbers were drawn, and O'Neill was the lucky one to receive the angels' food cake. After the meet the Boy Scouts and their guests repaired to the gym, where games were enjoyed and a final refreshment of cakes and ices served.

There will be a "tenderfoot examination" for those prepared to take it to-day (Tuesday) at ten o'clock a. m., at the Y. M. C. A. On Wednesday morning Acting Scoutmaster Rice will probably take the troop for a cross country hike, returning in time for the morning swim in the Y pool at ten o'clock.
